

I am Jewish. I am going to have a Bar-Mitzvah.

We have one God. God gave us the Torah. I like to kiss the Torah. I also like to lift the Torah. It makes me feel excited.

At temple I like to wear a kippah and sing prayers from the Siddur.

My favorite holiday is Shabbat. I celebrate Shabbat with Mom and Dad and my sister and my brother. On Shabbat I like to light candles and eat challah. That makes me feel happy.

I feel excited about my Bar-Mitzvah!
