

I Went to Temple!

Many Jewish people celebrate Rosh Hashanah by going to temple.

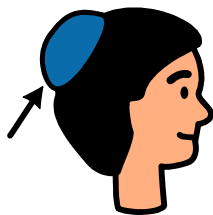

I am Jewish. I went to temple to celebrate Rosh Hashanah.

This is what I did in temple (circle the things you did):

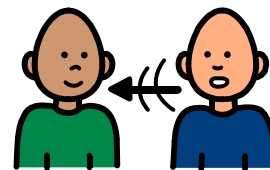

I wore nice clothes

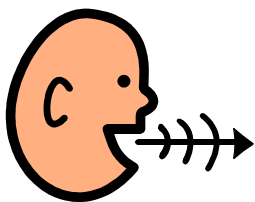

I wore a kippah

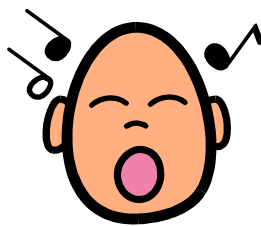

I said "shanah tovah"

I said a prayer

I sang

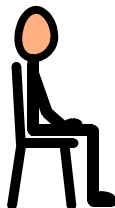

I listened to the Rabbi

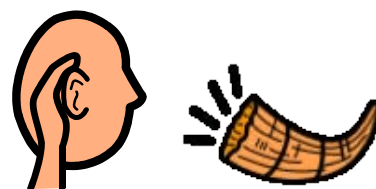

I touched the Torah

I sat in my seat

I heard the shofar

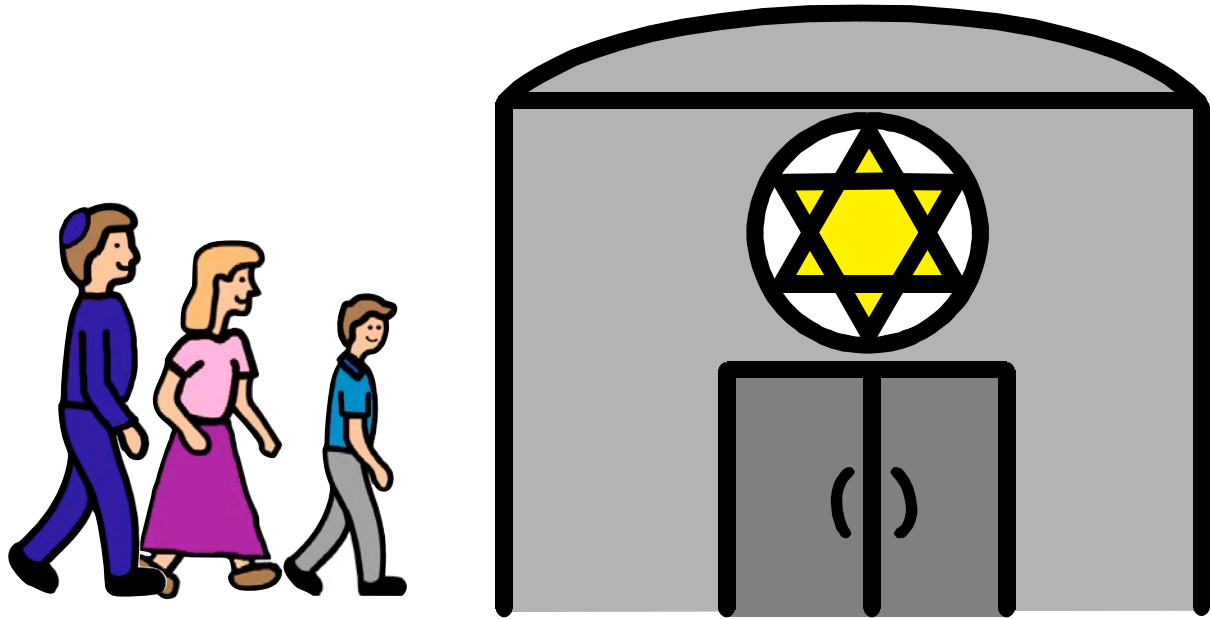

Going to temple can make me feel good. It can feel good to pray with other Jewish people.

My parents feel proud of me for going to temple. I feel proud of myself.

I might go to temple again another day!
