

The Purim Carnival

Sunday will be a special day at Gateways! Just for that one Sunday, we will not have circle, Hebrew, or T'fillot.

Sunday will be the Gateways Purim carnival!

Some people wear silly costumes to the Purim carnival. I might wear a costume, too!

My parents and siblings might come to the carnival with me!

I might see my volunteer at the Purim carnival. If I see my volunteer I can say hello. But at the Purim carnival my volunteer has to help all of the students play games.

On the day of the Purim carnival, I will find my name on the sign in board.

Then I will go to my classroom and say hello to my teacher. My teacher will help me make a special schedule for the Purim carnival. I can choose the activities that I want to put on my schedule.

When my schedule is finished, I will go to the Purim carnival rooms.

There will be three rooms of activities at the Purim carnival. In the gym there will be a bounce house, bowling, and other fun gym games.

In the cafeteria, there will be arts and crafts and messy games.

In the cafeteria there will also be cotton candy, popcorn, and hamantaschen to eat. Yum!

There will be an arcade room with Wii games and karaoke.

There will be many people at the Purim carnival. It might be noisy.

If the people or noises at the Purim carnival bother me I can take a break in my classroom. It is a smart choice to take a break.

During my break I might color, read a book, listen to music, or just hang out.

At the carnival there will be music with Julia, Josh, and Rebecca. We will sing Purim songs and sing the goodbye song. After we sing goodbye it will be time to go home.

Many people enjoy going to the Purim carnival. If I have fun at the carnival, then I might come again next year!
