

Inclusive B'nei Mitzvah 101: Begin the Process

Self-Reflection Questions for Clergy

The questions below are designed as a self-reflection tool to guide you and the professionals in your synagogue in determining how you envision your congregation's relationship with students with disabilities and learning challenges.

- How do you identify children in your congregation who have special learning needs?
- What is your synagogue's vision for working with students of all abilities?
- How do you learn about each student and their needs?
- Who is on your B'nei Mitzvah team and what are their responsibilities?
- What do you try to accomplish during your team meetings?
- How do you create an initial vision and initial goals for a bar or bat mitzvah?
