Make Your Own File Folder Activity!

	Print one copy of the shofar picture onto paper **Print** one copy of the shofar picture onto cardstock
	**Cut** out out the picture of the shofar printed onto paper. Leave the shofar in one piece; do not cut along the dotted lines.
	Glue the paper pattern shofar onto a file folder.
	Cut out the picture of the shofar printed onto cardstock. Cut along the dotted lines to create the puzzle pieces.
	**Laminate** the file folder. **Laminate** the cardstock puzzle pieces. Note: If you do not have access to a laminator, you can use clear contact paper or packing tape instead
	Apply **velcro** to each of the sections of the shofar in the file folder, and the backs of the cardstock puzzle pieces.
	Tape a sandwich bag or an envelope on the outside of the file folder to store the pieces
