Make Your Own File Folder Activity!

	Print the pattern strips on page 2 and 3 of this document onto paper **Print** the pictures of apples and honey on page 4 of this document onto cardstock
	Cut out the paper pattern strips
	Glue the paper pattern strips onto a file folder.
	Cut out the cardstock pictures of apple and honey
	**Laminate** the file folder. **Laminate** the cardstock pictures of apples and honey. Note: If you do not have access to a laminator, you can use clear contact paper or packing tape instead
	Apply **velcro** to the x's on the pattern strips and the backs of the cardstock pictures of apples and honey
	Tape a sandwich bag or an envelope on the outside of the file folder to store the pieces
